

# PAC Perks Program

Every year we ask for members' contributions to NDAB-PAC (ND Assn of Builders' political action committee). In appreciation of the generosity of our members and in honor of their commitment to PAC we offer some incentives to donate. Below are the different contribution levels that are available. Each level is equally important, and each progressive level has further incentives and recognitions associated with it. We can't encourage you enough to contribute or fully tell you the importance of PAC to our association. Please consider a donation in 2008.
