Trade Partners Directory

Did you know? On average, a Parade home requires the services of over 25 different partners to make it show ready - from the foundation to the framing to the roofing and beautiful finishes and mechanics. New to this year's event, we are spotlighting Trade Partners who have chosen to be featured alongside the builders who register the homes.

When you see the handshake icon on a builder's half page listing, you know to check these resources to find out what to look for. More information available online with each home listing if the trade partner elects to provide it including photos, more description and video.

- Pages x - x - Alphabetical company listing with logo, contact information, a short bio and the Parade homes where you can see their products or services.
- Pages x - x - An index by home number for convenience in seeing multiple trades in homes.

ABC Seamless
(701) 293-5952 abcseamless.com
Bio for magazine should outline what the company offers Trade Partner offers this to you/why you should come see.
